Dear Union Family,

The Twin Cities Labor Chorus has been staying strong through song since 2009, raising our voices to support and sustain the labor movement. We value and rely upon the support of our Union brothers and sisters to continue our efforts. We're an all-volunteer organization, with our Director the only member compensated.

In common with many small nonprofits, our activities were curtailed during the pandemic. We've now resumed our usual lively schedule, singing at rallies, picket lines, and other Union events. Our repertoire includes both traditional labor anthems and contemporary works. In November 2022 we participated in the unveiling of the Nellie Stone Johnson statue at the State Capitol, performing a song with lyrics by one of our gifted singer-songwriter members.

We hope that we can count on your organization to help reach our modest funding goals for the 2023 season. Suggested minimum donation is \$120 for a large organization (council or federation of Locals) or \$60 for smaller Locals. Please send donations to: **Twin Cities Labor Chorus, attn. Dave List, P.O. Box 40095, St Paul, MN 55104.** Your generosity will be promptly acknowledged with a receipt for tax purposes and our sincere thanks.

Additionally, we encourage members of your Local, both current and retired, to join their voices with ours. All are welcome! We're a people's chorus; no audition or ability to read music is required. We rehearse twice monthly at the AFL/CIO offices at 175 Aurora Ave. (near the State Capitol), on 2nd and 4th Tuesdays from 5:30-7:00 pm. We'd love to sing at your next meeting or social event.

Building solidarity through song is our contribution to the resurgent labor movement. With your help, we will continue making an impact and a joyful union sound.

In solidarity,

Mike Nelson
Director
