Said contributions shall be submitted electronically together with an electronic report of the employee data required by the Fund in the format prescribed by the Fund, no later than the fifteenth (15th) day of the month for which contributions are to be made.

In addition to providing the monthly report and payment set forth above, the Employer must report to the Fund, by no later than 10am on the last business day of the month, any changes in the status of an employee that may affect that employee's coverage (for example, terminations, layoffs, new hires and newly eligibles). Since the Fund generally cannot rescind coverage, if the Employer fails to timely report a change that would otherwise terminate coverage, the Employer must pay the entire contribution for that employee (including any co-premium normally paid by the employee) for each additional month until the status change is reported to the Fund. If the Employer timely reports a change that would otherwise terminate coverage, the Employer will receive credit for any applicable monthly payment submitted during the month of change.

The Employer agrees to submit the electronic payments and reports in a format approved by the Fund or directly via the Fund's online system. The parties acknowledge that an Excel spreadsheet with the required data fields and payment via ACH are approved formats. The Union and Employer acknowledge that the Employer's late report may result in a delay in the benefits of otherwise eligible employees.

The Employer and the Union agree to be bound by the Agreement and Declaration of Trust ("Trust Agreement") of the Fund as may, from time to time, be amended, and they do hereby irrevocably designate as their respective representatives on the Board of Trustees, such Trustees named in said Trust Agreement as Employer and Union Trustees, together with their successors selected as provided therein, and agree to abide and be bound by all procedures established and actions taken by the Trustees pursuant to said Trust Agreement. Any provision in this Agreement that is inconsistent with the Trust Agreement, or the Plan of Benefits, rules, or procedures established by the Trustees, shall be null and void.

Section 2. General Provisions. The Employer shall contribute to the Fund for all eligible employees. An eligible employee is defined as an employee who: a) regularly works thirty (30) hours or more per week if hired after April 1, 2022; or b) regularly works twenty (20) hours or more per week if hired prior to April 1, 2022.

For employees hired after the effective date of this agreement, or who become eligible to enroll in the FSP II after the effective date of this agreement, the Employer shall make available a computer for employees to use during such employee's enrollment period to electronically enroll in FSP II.

Section 6. Mandatory Health Care Meetings. The Employer and the Union are jointly committed to maintaining quality and affordable health care for all bargaining unit members.
