Dear Christa:

Thank you for your generous contribution of \$400 to the Tenth Annual Labor Bowl benefiting the St. Paul Labor Studies and Resource Center (LSRC). We appreciate your union's ongoing partnership and support.

As you may know, the LSRC connects union members to much needed community resources. They also help local unions provide their members with important services, such as lay-off preparation trainings. By participating in the Labor Bowl, you supported an organization that supports the work of organized labor.

If you would like to claim this contribution for tax purposes as no goods or services were received in exchange for this donation, our tax-exempt identification number is 36-3569973.

Sincerely,

A handwritten signature in black ink that reads "Kera J. Peterson".
